Dear Rick,

I want to take this opportunity to express my appreciation for the outstanding seminars you recently presented at the National Air Intelligence Center at Wright-Patterson Air Force Base, OH. The seminar you presented, "How to Interview and Hire Winners" received very positive comments such as "the instructor is absolutely superb," and "Rick was a seasoned and skillful presenter - the class should be a must for all interviewers"; an additional comment stated, "this is the best class of this type I've taken...sharp."

Your seminar received such glowing comments that we are considering making this a required workshop for all our college recruiting team members and supervisors. We will also be incorporating many new ideas in our hiring process from the material you provided. It was a pleasure to have you as an instructor and we hope to see you next year.

Sincerely,
