Dear Rick:

It was a joy to have you participate in our National Leadership Conference in Atlanta. We heard so many compliments about your keynote and the quality of your workshops. This is due in a large part to you and all of the other wonderful people who participated in our programs. We know you are busy and appreciate your willingness to share your knowledge with our students and advisers.

It is because of your interest and support that we are able to provide extensive leadership opportunities for our future business leaders.

We hope you enjoyed your experience as much as we enjoyed having you as a part of our program.

I am enclosing the results of our workshop evaluation.

Thank you again for supporting our organization, and I look forward to working with you again.

Sincerely
